PRESIDENT'S VIEW

Dear Members,

Co-president J.C. Byer and I wish you a very happy and meaningful New Year full of good health and daily joys!

We look forward to our January branch meeting in which we salute our past presidents. Many of them continue to serve in an official capacity for the branch, and we are grateful for their knowledge and advice. One past president, Hannah Cline, has returned to our county after a long sojourn in the Palm Springs area. Her husband Ted passed away this past year, and Hannah decided to move closer to her relatives in this county. Of course she has always concurrently kept her membership in our branch, and we often saw her cheery face at our events.

At our December board meeting Laura Guillory, our Tech Trek coordinator, announced a \$1000. donation to the AAUW summer science from the local Soroptomists group. She indicates that we will be able to cover the cost for eight students to attend the Whittier summer camp this year. Years ago our AAUW national leadership initiated Tech Trek to address the shortage of women in science, technology, engineering, and mathematics professions. Last year our committee interviewed an increased number of junior high school students who expressed interest in those fields. The cost per student at this structured learning camp, however, is currently \$900. per student for a week. The upcoming raffle of opportunity prizes at our January meeting raises money for this vital program. We hope our members will support this very worthy cause, a pay forward to women of tomorrow.

Sincerely,
Sheila Koster, Co-President
AAUW Glendale

Ways and Means:

Pasadena Showcase House 2013 – This year, the dates are April 21-May 19, and it's time to think about volunteering to serve a shift. Last year, Glendale Branch earned almost \$1,000 from our work at the Showcase, which was more than enough to send one girl to Tech Trek. We must provide a minimum of 20 four-hour shifts (either morning, afternoon, or evening) in order to participate, so please consider this opportunity to help us achieve our Tech Trek goals and to enjoy being a part of Showcase. For more information and to get on our list of volunteers, please contact Charlene Carnachan by early January.

Tech Trek:

Tech Trek Fund Raiser on Founder's Day

This year the funds raised by the sale of gift baskets and donations at the January Founders' day luncheon will be used to fund Tech Trek campers. To ensure that we have sufficient display tables, please contact Laura Guillory and let me know the theme and contents of your basket or donation by January 8, 2012. If do not plan to attend the meeting on January 12, please let me know so I can arrange to pick up your basket/donation. In addition to **gift baskets, handmade items, original art, unique ceramics, new handbags, event tickets, spa services, restaurant gift cards**, have also been popular items. The Tech Trek committee would really appreciate some volunteers to help sell tickets at the event. . Please call me Laura Guillory if you can help us out.

Laura Guillory, Tech Trek

“Promoting AAUW”

I can't tell you how many times I talk with women who say, "Why haven't I ever heard of AAUW?" We all need to talk about AAUW every time we are "out and about" and we all should have AAUW brochures in our purses to share when this questions is asked! There are so many women who need to connect with the work that we do through the five AAUW Funds programs: Educational Opportunities Fund, Legal Advocacy Fund, Eleanor Roosevelt Fund, Leadership and Public Policy. Order brochures from Shop AAUW on the AAUW website.
