Glendale has a rich repository of Mid-Century Modernism buildings. Some are hidden in valleys, canyons, and mountain tops, while others are in full view. (Example: The Glendale City Hall)

Our speaker, Arlene Vidor, is the current president of the Associates of the Brand Library & Art Center, and she is serving her second term as a City of Glendale Historic Preservation Commissioner. She is also a past president of the Glendale Historical Society (2002-2009), and she played a key role in advocating historic districting in Glendale. She will guide us through a remarkable history of building styles in our area with her exciting presentation of "Glendale Goes Modern."

Since gravitating here from Chicago, Arlene Vidor has made major contributions to Glendale. She has received the Glendale Adventist Center's Flame of Hope Award, two awards for her leadership of the Glendale Historical Society, the Zelia Blanton Award, and the Glendale Character and Ethics Project Award. We are gratified to present a speaker representing two important Glendale organizations.

Happy New Year! Please join us for our Founders' Day Celebration!
At the national level the following are some of AAUW's accomplishments in 2013:

- * AAUW awarded \$4.3 million to 278 scholars, researchers, and community-based project focused on girls and young women.
- * AAUW expanded Tech Trek to four sites around the country.
- * AAUW expanded our global work through a strategic partnership with the Clinton Global Initiative and Clinton Global Initiative University, further engagement with the United Nations through the Commission on the Status of Women, and collaboration with the U.N. Association of the USA.

Our January opportunity prize drawings will help support the scholarships for our Tech Trek campers. We hope to see you there. We encourage your active participation! If you need help coming to meetings, please feel free to contact us.

AAUW STATE CONVENTION 2014

This is a reminder to save the dates April 11-13, 2014, for the State Convention to be held at the LAX Marriott. We will not be having a branch meeting on that Saturday, April 12, so that our members can attend the Convention. More information to come.

TECH TREK

Reminder: This year the funds raised by the sale of gift baskets and donations at the January Founders' day luncheon will be used to fund Tech Trek campers. To ensure that we have sufficient display tables, please contact Laura Guillory or Lois Scaff and let us know the theme/contents of your basket or donation by January 6, 2014. If do not plan to attend the meeting on January 11, please let us know so we can arrange to pick up your basket/donation. In addition to gift baskets, handmade items, original art, unique ceramics, new handbags, event tickets, restaurant gift cards, and spa services have also been popular items. We also need 1 more volunteer to help sell tickets at the event. Please call me (Laura Guillory) if you can help us out.

We are also seeking interviewers for the Tech Trek selection process. This year we hope to limit the number of interviewees to 10-12 at each school. This means the interviews will only take one day at each of the three schools. I will provide a light lunch. The interviews will be scheduled sometime in the last two weeks of February or the first week of March. The dates will be determined based on interviewer availability and school schedules. We are seeking 2 interviewers for each school. Please call Laura Guillory if think you might be available. A big thank you to those who have already contacted me.

PASADENA SHOWCASE VOLUNTEERS

Last year our volunteers earned \$960 for our Tech Trek project by working 4-hour shifts at the Showcase House. Now it's time to plan for the 2014 Showcase, to open in April. If you can volunteer for a shift or two, I need your name now. This duty requires attending an orientation at the House the week prior to opening and standing for four hours (with a short break) as you welcome visitors. Shifts can be scheduled for morning, afternoon, or evening on dates convenient to you. Your friends are welcome also. Please let me know if you can help us support Tech Trek.
