HAVEN HILLS: SUPPORT FOR VICTIMS OF DOMESTIC ABUSE

Our speaker for September, Maria Baharona, grew up in the San Fernando Valley and is a graduate of CSUN with a degree in marketing and feminist studies. She is currently working on a Master's in Public Administration.

Prior to coming to **Haven Hills** she worked for ten years for the Corporation for Supportive Housing which provides housing for disadvantaged populations. She worked in fund raising and advertising for the Corporation. She took a job with **Haven Hills** one year ago to help them with marketing and advertising. She chose her field because she likes helping people and has an opportunity to be an activist for women's needs and causes. She has had several friends who were victims of domestic violence. Also she wants to be a part of educating women about their rights and resources to prevent future incidents of physical and sexual abuse.

The topic of her talk will be: Domestic Violence in Our Community: How Its Ripples Effect All Parts of the Community

President's Message

Welcome to the 2015-2016 year at the Glendale Branch of AAUW.

We are looking forward to many exciting activities and events in the coming months and encourage all of our members to participate and become involved in our outstanding organization. We are starting out the year with a full roster of elected and appointed officer positions filled; and Shirley Buono and I are enthusiastic about the coming year as co-presidents.

The results of the May survey showed that many of our members are interested in increasing our membership, and we will need the efforts of all members to do this.

We have several new members and hope that you will make them feel welcome. Our website is a major factor in drawing in new members.

Also, if you are interested in attending the L.A. Sparks basketball game on Sept. 6, which is promoting AAUW, please contact me.

We are looking forward to seeing you at our first branch meeting at the beautiful Oakmont Country Club on Sept. 12 and hope you are able to attend. If you need transportation, do not hesitate to let us know and we can work that out for you.

Tech Trek News;

As a result of a proposal submitted last year, Kiwanis of Glendale donated \$1000 to the branch Tech Trek project. Ella Ramamurthy, our 2015 camper from Wilson Middle School gave a short presentation about her Whittier camp experience. Many Kiwanians expressed high praise for Ella's intelligence and poise. The picture includes Laura Guillory, camper Ella Ramamurthy, and Kiwanis president, Todd Hunt.

WAYS AND MEANS:

RALPHS COMMUNITY CONTRIBUTION PROGRAM

If you are a Ralphs grocery shopper and are either currently enrolled or would like to enroll in order for our branch to receive a donation from Ralphs, please read this. All participants are required to register or re-register for the new year that begins on September 1, 2015. You may do this in two ways: either register online or register by giving the grocery clerk a letter to scan at the register when you buy groceries after September 1. This needs to be done only once and will be effective the entire year. What an easy way to help raise funds for our branch at no cost to you! Information will be available at the September branch meeting.
