## President's Message

I continue to be amazed and proud of all that AAUW accomplishes. I am still learning about all that we do. Under the umbrella of the AAUW Fund, there are many components. One of these is the **Campus Leadership Program**.

Each year, AAUW's Campus Leadership Programs shape the lives of thousands of college women to be the next generation of leaders. The Campus Leadership Program includes:

\***National Conference for College Women Student Leaders** (NCCWSL) unites college women from across the country to address important leadership issues of the day. (**This year we will be sending a Glendale College student.**)

\***Campus Action Projects** are annual, grant-funded, student-led projects that allow students to take action on women's issues on campus

\***National Student Advisory Council** is a yearlong leadership program for 10 college women who serve as AAUW ambassadors on their campuses.

\***Elect Her- Campus Women Win** encourages and trains college women to run for student government on their campuses

\***Start Smart** salary negotiation workshops provide college women who are approaching the job market the knowledge and skills to negotiate salaries and benefits.

\***Student Organizations** are composed of students enrolled in college who are interested in AAUW issues and programs.

This year, **Glendale AAUW** is directly involved with Tech Trek, Student Grants, and the NCCWSL. Hooray for us!! Can we do more???

Shirley Buono, Co-President

### WANT TO INTERVIEW? WE HOPE SO!

We are always interested in new interviewers for our spring student grant awards. As you might be aware, the potential awardees selected by the school counselors are interviewed by teams of two to three Glendale AAUW members. Each young woman deserves a diligent and respectful time with the team members. We are beginning to assemble the teams for these interviews. Now is the time for thinking about getting involved in this very worthwhile process.

Many of you have helped in the past and that time and effort will always be much appreciated. However, if you have not been involved lately and would like to be a part of our interview teams, please give Edie Morrow a call at 323 668-0142 or contact her at [ebm4491@aol.com](mailto:ebm4491@aol.com). We are looking for people with the interest in interviewing, getting to know our grant candidates, and who have some day time available between mid-March and early April for interviews. If you would like to join in this endeavor, please make contact by the end of February.

Thank you.  
Edie Morrow
