Women in Politics

Phlunte' Riddle is an educator, businesswoman, public safety executive, community leader and resident of Pasadena. She broke barriers and honed her leadership skills in the nearly 29 years she spent rising through the ranks of the Pasadena Police Department. She was the first woman to be permanently assigned as a gang/street narcotics officer, the first African American female sergeant and lieutenant. As a lieutenant, she was the Public Information Officer and Adjutant to the Chief of Police. She currently serves as a commissioner for the Pasadena Center Operating Company Board, which oversees the management of the Pasadena Convention Center. She has been an active member of the UN Association-Pasadena Chapter and a former board member of Foothill Family Services. She is a strong advocate on women's issues.

Ms. Riddle received her doctorate degree specializing in psychology from Phillips Graduate Institute. She holds an MA degree in Organizational Leadership from Woodbury University and a BS degree in Public Administration from the University of LaVerne. She is also a graduate from the FBI National Academy in Quantico, Virginia. She has been married for 36 years and has three adult sons.

She will be speaking on **"Women in Politics"**.

President's Message

Greetings! March 8 is International Women's Day, which celebrates the social, economic, cultural, and political achievement of women in the world. The 2016 campaign theme is #PledgeForParity. AAUW has been in the forefront of achieving equality for women and has been a leader in the areas of women's rights. Please take a moment to think of our beginnings: AAUW founding in 1881 and AAUW Glendale branch in 1923. The dreams of these forward-thinking women continue today in the activities of our branch which support the advancement of women. We ask that you consider thoughtfully how you can contribute to the advancement of our branch and our AAUW goals and ideals. The Nominating Committee has the difficult task of filling board positions for the 2016-17 year and we ask for your continued support in participating in the decision-making and event planning for our branch in the years to come.

Mary Jo Brown
Co-president

WANT TO INTERVIEW? WE HOPE SO!

We are always interested in new interviewers for our spring student grant awards. As you might be aware, the potential awardees selected by the school counselors are interviewed by teams of two to three Glendale AAUW members. Each young woman deserves a diligent and respectful time with the team members. We are beginning to assemble the teams for these interviews. Now is the time for thinking about getting involved in this very worthwhile process.

Many of you have helped in the past and that time and effort will always be much appreciated. However, if you have not been involved lately and would like to be a part of our interview teams, please give Edie Morrow a call at 323 668-0142 or contact her at ebm4491@aol.com. We are looking for people with the interest in interviewing, getting to know our grant candidates, and who have some day time available between mid-March and early April for interviews. If you would like to join in this endeavor, please make contact by the end of February.

Thank you.
Edie Morrow
