911 Update - Glendale Response

Glendale Paramedic Services will face challenges as our population grows. Firefighter Gil Mejia will discuss current programs and policies as well as anticipated innovations.

President's message:

As we start the New Year, I would like you all to be thinking of the ways you could be more active in AAUW.

I would like to coordinate a Start Smart program for our new members who are of working age, as well as bring the program to the community as something offered to students at both Glendale Community College and Woodbury University. Salary negotiation is just one of the programs, which is very important in today's working world. That would also provide us the opportunity to spread our organization's name to many students who might not otherwise have heard of it.

This brings me to Membership, another important area. In the next couple of months I will be brainstorming with both Anna and Marjorie as to what event we can hold to invite women with college degrees to come and check us out.

Some of you might choose a particular area to make your personal mission, such as Student Grants, Title IX, Public Policy, Parliamentarian, Programs, Secretary, Hospitality, Historian, Newsletter Editor, Website Manager, Communications (e-mail, mail, and phone), Social Media, Yearbook, Ways and Means, or Treasurer. The list of possibilities goes on. We have a few

new members and we would like to give them a position to hold, as the best way to learn AAUW, is to work AAUW. All of you, please be thinking about either keeping the positions you have, or making a change to a new one starting in September. Anna and I will be meeting to discuss how we can best serve you in the coming year also. We are very blessed to have such a great group of ladies supporting us.

The Holiday Party was a great success. I would like to thank Mary Pallares for hosting it again this year. Mary has such a lovely home and she decorates it beautifully for Christmas. The dinner was delicious, so our new caterer was perfect.

Our Founders' Day Luncheon was also a great success. We had a full room of ladies and many items were donated for the raffle. This year there were a few members who won more than one raffle item. We even had one member who won so many times, a server brought her a cart to get all of her winnings to her car! We hope that this good fortune is indicative of the year for her. The lunch was very excellent and we raised almost a thousand dollars for Tech Trek.

I see many changes coming this year, and I am keeping AAUW-Glendale in my prayers that the changes are positive, that all our positions are filled, and that our membership increases.

My AAUW Best Wishes to you,

Cathy Zitnick
Co-President, AAUW-Glendale
